About donations

The suggested donation for each publication on the Order Form includes what it costs us to produce the item. We are a non-profit charity. All donations go towards keeping our materials available, for filling orders, and for other good L/L Research projects. We thank you most sincerely for any contribution, large or small. Any amount **over** the publication cost is tax-deductible. Let us know if you need a receipt for tax purposes by checking the box near the bottom of the form.

If you do not have the money to purchase our publications at this time, go to the Library on this web site. All our material is available there for you to read or download for free. If you are a prisoner or otherwise in a situation where you cannot access the internet, we have a Free Book Program.

We have other projects in the works that will be published as donations allow.

Comments to L/L Research regarding your order:

Tax Receipt Form

L/L Research is a 501(c)(3) organization. Our charitable organization tax exempt number is: 31-0904716.

PLEASE NOTE: You are only eligible for a tax receipt when ordering any of our published material if the amount of your donation is in excess of the book's cost + shipping and handling. For example, if you had ordered a copy of THE LAW OF ONE, Book V, and sent us \$19.00 (the book's cost + S&H), we would be unable to send you a tax receipt. If the amount you had sent us was, for example, \$25.00, and you had requested a tax receipt, we would send you a receipt for the \$6.00 in excess of our cost to produce this book.

A donation made to L/L Research when no published material is requested is fully tax deductible.

Tax receipt:

Please check here if you qualify and require a tax receipt from us, and ensure that you have filled in your return address in the "Ship to" section above.
